Forecast For Grampian
Issued by Met Office Aberdeen
at 0400 on Wednesday 21 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry with some warm sunshine, east coast cloudier.

Today:
Overnight low cloud will mostly burn off through the morning to leave a dry day with some warm sunshine, turning very warm across the Cairngorms. However rather cool and cloudy weather may linger along the east coast. Maximum temperature 20 deg C (68 deg F).

Tonight:
Some sunshine in the west at first. Then mist and low cloud across the east this evening will spread inland across most areas through the night. Minimum temperature 13 deg C (55 deg F).

Thursday:
Low cloud burning back to eastern coastal areas where it may linger into the afternoon. Otherwise dry with plenty of warm sunshine by afternoon. Maximum temperature 20 deg C (68 deg F).

Outlook for Friday to Sunday:
Remaining dry with some warm sunshine and early morning low cloud, this may linger across eastern Aberdeenshire into the afternoons keeping it rather cool.
